

RCS Education

RCS Libri S.p.A. Education Division, trainer body accredited by the Ministry of Education, University and Research (Ministerial Directive no. 90/2003 Decree of August 3, 2011 - Prot. N. AOODGPR60480), supports the CNOS – FAP Federation in the acquisition of tools for education and training of trainers providing the signature of an agreement in order to facilitate the purchase of RCS Education content and digital services and to encourage their use and dissemination in the institutes of the Federation.

The agreement also aims to support the Federation in the use of new digital editorial content in the iCNOS project.
