

PREMIER

Applicant Organisation: LUOVI (Finland)

Partners: 6 partners in Finland, Italy, Sweden, and France

Objectives: To develop criteria and quality standards for the implementation of Peer Reviews between European VET institutions and centres in order to improve their international activities. The project is the result of the success of the previous Erasmus + KA2 SEPRI project. Thanks to the methodologies developed and to its objectives SEPRI project (led by Finland) is considered as a model to be improved and reproduced in Premier project.

Duration: 28 months

For further information about Peer Review material visit the official [website \[1\]](#).
